Thank you for taking a sponsorship interest in the Upper Allen Baseball Association (UABA)! Without support from folks like you, our program would not survive. We have several sponsorship options available. Hopefully, one of these will fit your budget and expectations. Sponsoring a team is certainly an excellent way for you to advertise your business. However, UABA recognizes and appreciates the fact that the real reason you are engaging in this opportunity is to give something back to the kids and the community. For that, the UABA board members, parents and players. **Thank you!!**

OPENING DAY CELEBRATION

We also have a great sponsorship opportunity for our popular opening day celebration at Fisher Park. Opening Day is a great community event which provides an opportunity to gain visibility for your business to members of the community. Your business can donate prizes to raffle off to the kids or set up its own booth for games or giveaways. Please contact Tina Rensel at terensel@verizon.net for more information or to make your pledge.

I understand that UABA will make an effort to accommodate my request to sponsor a specific team, but cannot guarantee this request. If my request cannot be accommodated, I would still like to sponsor a team for the Spring 2017 UABA season.

By checking the box above, you agree to allow UABA to allocate your sponsorship funds as it sees fit. If you are not comfortable checking this box, UABA will work with you to try and reach an acceptable arrangement.
